SUBJECT : Project 22.1613

1. Attached herewith please find two copies of Project 22.1613 "Selected Aspects of the Antibiotic and Sulfonamide Situation in the Sino-Soviet Bloc." This project covers current information in the Chemicals Branch covering the supply situation on these drugs, in each of the Bloc countries, and on each of the types of which we have any information.

2. I call attention to the fact that this is an all source report, and it must be thoroughly sanitized before use, in supplying information to SCD/OCS, BSC, Department of Commerce.

25X1D1a

5. This memorandum was written after a conference with [REDACTED] at which time we explained the type of information we could supply. We also conferred with him prior to the final typing, and it is our understanding that the information meets his requirements.
